

Dear Parents and/or Guardians:

We are excited to announce that Cowlishaw will be once again offering an intramural Track program for fourth/fifth grade boys and girls. The program will consist of a six week program. The first two weeks will include both the boys and the girls. The following four weeks will alternate boys one week then girls the next week. The schedule is below please note the dates for boys and the dates for girls. The intramurals will take place on Thursdays immediately after school from 3:35pm until 4:35pm. Unfortunately students not picked up by 4:35pm will be asked not to participate for future dates. For the benefit of everyone participating, I would ask that the following rules please be followed:

- Please arrive on time
- Everyone participating must wear gym shoes
- All P.E. rules apply
- Students must be picked up by 4:35 P.M.

The schedule will be as follows:

January 28- boys and girls  
February 4- boys and girls  
February 11- boys  
February 18- girls  
February 25- boys  
March 4- girls

Thank you in advance for your support.

Sincerely,

Mr. Soto Mr. Klein

-----

I have read all the rules and regulations pertaining to the intramurals and I understand that if my child/children do not abide by said rules they may be asked not to return for further dates.
