February 2, 2018

Dear Parents/Guardians:

If you have a child who will be five (5) years old on or before September 1, 2018, he or she is eligible to enroll in kindergarten for the 2018-19 school year. We are pleased to offer **ALL-DAY kindergarten** for your child.

➤ **Hours**                      **9:05 A.M. - 3:35 P.M.**

You are invited and encouraged to attend a **Kindergarten Parent Preview Night** on **April 5 at 6:30 PM in the gym**. At this meeting, we will provide a detailed look at what the kindergarten experience will offer. You will also be provided with more details related to registration requirements and deadlines. This night is designed for parents and their incoming Kindergarten student.

We need the **Information Sheet** on the attached page **prior to orientation** so that we can begin planning kindergarten enrollment for the upcoming school year. This Pre-Registration information will be used to form a kindergarten mailing list. Once on the mailing list, additional information will be mailed to eligible kindergarten parents. Information regarding registration will be available after April.

If you have any neighbors who do not presently have school-aged children, but will have an incoming kindergartner, please give them a copy of this form or ask them to call our office at 630-428-6100 so that we can send them this information. I look forward to meeting you at the Kindergarten Parent Preview Night.

Please mark your calendars!

Sincerely,
