There are two easy and confidential check-out options:

1. You can visit the library, Monday - Friday from 8:30 - 3:15 and search by title and/or topic. See either Mrs. Chmielecki or Mrs. Wright for check-out procedures.

2. Visit Cowlishaw Elementary’s website at [http://cowlishaw.ipsd.org/](http://cowlishaw.ipsd.org/), go to Web Resources-For Parents and click on Parent Library by Title OR Parent Library by Call Number. After you decide on your selection, call Mrs. Chmielecki at 630-428-6109, or send her an e-mail at marzenna_chmielecki@ipsd.org and let her know what book(s) you would like to check-out and she will send the books home with your child in a sealed envelope. You can return the books in person or send them back to school with your child.

Come in and look through the books...you will be amazed with the selection. The LMC staff is always on the lookout for a new book, so if there is a book you would like to see in the Parent Resource Library please feel free to call or send us an e-mail.
