Cowlishaw Elementary School Title I School Policy

Parents are their children's first and most important teachers. Research tells us that parent involvement makes a big difference. When schools welcome families, establish personal relationships among families and staff, help parents understand how the system works, and encourage family-staff collaboration to improve student achievement, students do better in school, and the schools get better.

Cowlishaw Elementary School is committed to being family friendly and to working as partners with our families to help our entire student population learn to high levels.

In order for our families to feel respected, validated, and viewed as partners in their child's education, **Cowlishaw Elementary School** will provide:
